See more Lands Ultimate Size Land Guide Land Land Land is a well-known company whose roots can be traced back to Dodgeville, Wisconsin. It can be considered quite old, as the first store in which items of clothing for men and women were sold and in which the sellers had to comply with the antiquated size guides were now opened in 1963. After its initial success in America, The companyexpanded and won a multitude of other markets, including Japanese, british, and German. It should not surprise anyone that the of the brand was so hot - precise size granior, laundry clothes â € ught and a remarkable selection of accessions are the aspects that distinguished the company from the competition £ o operating in the same niche. The end of the land is still strong, opening not only fanic shops, but also offering their products to customers online, which is extremely convenient-specially today, when we simply have no Ability to travel long distances to buy shirts, files and blouses in sizes that meet our preferences and expectations.
