If available, you might be able to schedule a pick-up, or you might be able to take your old television to a recycling center. If you need to throw away an old TV iteÅÅÅs best to find a recycling program near you.Free Disposal of an Old TVMany communities hold yearly recycling events where old TVs can be collected and properly disposed of for free. Call the manufacturer of your television or a few retailers in your area to see if this is an option too.Find an E-StewardE-Stewards are responsible recyclers located throughout the country. Some communities offer this service without fees, but others may charge you to recycle your old TV.If you don'tÅÅÅt have an option for recycling with your community, try a take-back program. A large TV will cost more to recycle. Many waste disposal companies will allow paying customers to drop off their old TV for free recycling. Most donation centers don'tÅÅÅt accept these older models, and youeÅÅÅll need to find a recycling center that specifically accepts them.If your television is a smart TV, reset it to factory settings so that none of your personal information remains in the system.Bundle the cord neatly, and secure it with a rubber band or twist tie. Enter in your zip code and Recycle Nation will tell you the closest drop-off, curbside, mall back and pick up locations. - Toronto (Greater Area)Digital Cable When you upgrade your television, youeÅÅÅre likely going to be the proud owner of more TVs than you currently want or need.
